* The investment returns for the Investment Options are provided as general information only and are not intended to provide investment or other advice. Past performance is no guarantee of future performance.

The investment return shown for each Investment Option reflects the composite returns for the institutional portfolios comprising the investment options available to participants in the Florida 529 Savings Plan.

Please see the Disclosure Statement and Program Description & Participation Agreement for the Florida 529 Savings Plan dated October 1, 2013

The assets of the Florida 529 Savings Plan are invested by AllianceBernstein, Silvant, Fiduciary Management, Columbia, Florida Prime, PanAgora, The Boston Co. and QMA in accordance with the guidelines.

Investment returns shown in the table above were calculated by Callan Associates Inc., the Board's investment consultant, by computing the percentage change in the trust unit value of each Investment Option. The unit values were provided to Callan for computing the investment returns. The investment periods covered for the Investment options are from December 1, 2002 through December 31, 2013. Initial funding for the Plan began in December 2002.
