

Florida Prepaid College Plan Payroll Deduction Payment Instructions

The deduction payment for the Florida Prepaid College Plan may be submitted by check or by electronic funds transfer. Using either method, a Payroll Deduction Roster must accompany each payment.

Payment should be submitted after each pay period (paycheck).

OPTION I – Payment By Check

STEP 1: If you submit your payment by check, you must include a paper Payroll Deduction Roster with the payment.

The program will create a Payroll Deduction Roster for you. **The Total Deduction Amount on the roster must match your check amount.** If necessary, mark changes directly on the roster. An updated roster will be provided only as new accounts are added or as changes are made. No other documentation is required.

Or, you may create your own Payroll Deduction Roster. The roster must include, at a minimum, the following information:

Prepaid Plan Account Number(s)	Deduction Amount	Employee SSN
10 digits	Up to 6 digits plus 2 decimal points	9 digits
XXXXXXXXXX	\$XXXXXX.XX	XXX-XX-XXXX

TOTAL

STEP 2: Make your check payable to the Florida Prepaid College Plan.

Please include your company name and Federal Tax ID number on the check and the Payroll Deduction Roster.
