

The Dormitory Plan is intended to cover the fall and spring terms. Generally, the cost of housing during a single summer session is less than the fall and spring. Using the Dormitory Plan during a summer session instead of a fall or spring semester may represent a material reduction in benefits received. An Account Owner may nevertheless authorize the use of the Dormitory Plan during one or more summer terms by submitting a signed authorization to the Board using this form. The Board will pay the actual housing fees for a double-occupancy, air-conditioned dormitory room at the State University listed below or transfer the amount payable under the Beneficiary's Plan for that State University or other university-held housing approved by a State University. Amounts transferred for the actual housing fees cannot exceed the amount otherwise payable under the Beneficiary's Plan to that State University for the prior fall or spring terms, whichever is higher.

To authorize use of a Dormitory Plan during a summer term, please complete and return this form to: Florida Prepaid College Board, P.O. Box 6567, Tallahassee, FL 32314-6567, OR by facsimile to (850) 309-1766.
